Pre-Conference Courses

CLINICAL NUTRITION COURSE: FROM KNOWLEDGE TO PRACTICE: SHAPING EFFECTIVE NUTRITION HABITS.

(Limited Seating)

Tuesday 3 June 12:30 - 17:00

This pre-conference course provides healthcare professionals with a unique opportunity to engage with leading experts in the field of nutrition. The course will focus on both proactive nutritional strategies for long-term health and reactive nutritional approaches in the management of emerging illness.

Renowned international speakers will present the most recent clinical data, offering insights and interpretations relevant to clinical practice. Interactive discussions will be facilitated, allowing attendees to share their experiences and perspectives.

AIRWAY CLEARANCE TECHNIQUES TRAINING COURSE

(Limited Seating)

Tuesday 3 June 08:00 - 17:00

Wednesday 4 June 08:00 - 12:30

This course will teach and consolidate knowledge of physiological and theoretical principles of airway clearance techniques with practical teaching and demonstrations. Suitable for any physiotherapists wishing to optimise airway clearance skills for patients with suppurative lung disease. This course is a pre-requisite to the PhySIIIG ACT instructors course.

THE CHALLENGES OF MANAGING THE NEUROPSYCHIATRIC AND PSYCHOLOGICAL EFFECTS OF MODULATORS: PRACTICAL AND CLINICAL IMPLICATIONS.

(Limited Seating)

Tuesday 3 June 14:00 - 18:00

This course is organized by the European Psychosocial Special Interest Group (EPSIG) and the ECFS Mental Health Working Group. We will explore how CF teams are managing the neuropsychiatric and psychological effects of modulators. This course will include a review of the evidence on side-effects related to new genetic modulators as well as strategies CF Teams are using to manage them. The course will include case presentations on the assessment of side-effects and clinical interventions that have been used to address them. We will emphasize practical approaches to screening and intervention in this new era of modulator therapy. Cases will cover the life span from childhood through adulthood.

Programme Content Description

PLENARY

The Plenary sessions, lasting 90 minutes, comprise keynote lectures of experts in the field.

SYMPOSIA

The sessions, lasting 90 minutes, comprise 3 to 4 lectures by experts in the field covered by the symposium and specifically in the topic presented. Each presentation is followed by discussion time when all attendees are invited to ask questions about/discuss the presentation.

WORKSHOPS

The sessions, lasting 90 minutes, comprise oral presentations of scientific work as outlined in the abstracts. The moderators of the workshop, experts in the field covered by the workshop, will introduce the different presentations and facilitate the discussion time when all attendees are invited to ask questions about/discuss the presentation.

CASE STUDIES

Informative cases related to diagnosis or management of cystic fibrosis will be presented and discussed. A panel of experts in the field facilitate the discussion and foster exchange of information or discuss treatment possibilities based on their expertise and knowledge of the latest scientific publications.

MEET THE EXPERTS

The Meet the Experts sessions are small interactive sessions led by experts to stimulate discussion, answer questions and offer advice.

The format encourages a more personal approach to learning. Each of the expert sessions is limited to 50 participants.

Thursday 5 June: 07:45 - 08:45

- MTE 01: Menopause - understanding and supporting women
- MTE 02: Lung transplant - indications and management
- MTE 03: Lessons learned from real-world studies – why, how and what?

Friday 6 June: 07:45 - 08:45

- MTE 04: To test or not to test - the impact of antibiotic susceptibility testing on clinical outcomes
- MTE 05: Pharmacology and psychological side effects of modulator therapy
- MTE 06: How to better diagnose a CFTR-RD with the wide range of tools available (from genetics to functional and clinical explorations)

ePOSTER SESSIONS

These are moderated thematic sessions, during which ePosters will be presented on a 50-inch flat screen.

CME CREDITS

An application is being made for Continuing Medical Educational (CME) credits. The number of approved credits being offered will appear on the website and in the Programme at a Glance.

Information About the Conference

CONFERENCE VENUE

Allianz MiCo

Gate 6

Viale Lodovico Scarampo (corner Viale Teodorico)

20149 Milan

www.micomilano.it

The 48th edition of the ECFS Conference will take place in Milan. A city steeped in history and brimming with contemporary energy.

From the grandeur of the Duomo, a 600-year-old cathedral, to the bustling fashion districts and world-class museums such as the Brera Art Gallery and Sforza Castle, Milan has something to offer to everyone. Whether you are a history enthusiast, a culture seeker, or a fashion aficionado, Milan promises unforgettable experiences and we hope you will discover the unique blend of ancient and modern that makes Milan a truly special city.

Allianz MiCo is one of the largest conference facilities in Italy and can accommodate up to 18,000 people. Our conference will be held on the second floors of Hall 4 and of the brand-new Hall 2. Our entrance of MiCo is located at 200m from the metro stop Portello on the metro line M5.

Information About the Conference

ACCESS FACILITIES

PUBLIC TRANSPORTATION IN MILAN

Milan has an extensive public transport network. The metro, tram and bus network is operated by ATM - [Azienda Trasporti Milan](#)

You can buy ATM tickets on the ATM Milano official app or at any of the authorised outlets (bars, tobacconists, stationers, newspaper stands) found throughout the Milan area and on intercity routes. You can also buy underground tickets at all underground stations from ticket machines selling various types of tickets; these machines accept both coins and bank notes, credits cards and bank cards.

| | |

| Single ticket: | € 2,20 |
| Day ticket: | € 7,60 |
| 3-Day ticket: | 15,50€ |
| 10-tickets carnet: | 19,50€ |

ARRIVAL BY PLANE

Milan is served by three airports: Linate, Malpensa and Bergamo Orio al Serio.

Linate:

The airport is linked to the city centre by metro line M4.

Malpensa:

You can reach the city centre with the [Malpensa Express train](#). Various [bus companies](#) also serve the route.

Bergamo Orio al Serio:

You can reach Milan by bus shuttle services run by various companies.

ARRIVAL BY TRAIN

Milan can be reached from the main Italian and European cities by the [Trenitalia](#) and [Italo](#) highspeed trains.

The main stations are:

- Stazione Centrale FS
- Stazione Porta Garibaldi FS
- Stazione Cardorna FN
- Stazione Rogoredo FS

BIKE SHARING

Bikes are an eco-friendly and practical means of travelling around the city. Milan offers approx. 144 kilometres of cycle paths and lanes over a completely flat area for bicycle lovers.

Bike Sharing is available both with fixed pick-up & drop-off bicycle stations with [BIKEMI](#), and with free floating bicycles i.e., when the bikes can be picked up via the app and parked along the roadside where there are no reserved parking areas or restrictions. [Various companies](#) offer this service.

Registration

All registration and accommodation bookings must be submitted online through the Conference website at: www.ecfs.eu/milan2025. These services are available online from January 2025 until the Conference begins. All registration and hotel details such as deadlines, terms and conditions, are also posted on the website.
