

NEW ECFS STANDARDS FOR THE CARE OF PEOPLE WITH CF WEBINARS

The ECFS Standards of Care Committee are proud to announce four special webinars for 2024. These are dedicated to the new “ECFS standards for the care of people with CF” publications.

As part of the weekly conversational style series, contributors will discuss how the paper came together, the methodological approach, the key content and important messages for CF healthcare professionals to know.

All webinars are scheduled for:
Tuesdays @ 12:30 - 13:30 CET* / 11:30 - 12:30 UK time
FREE REGISTRATION

Please click on the titles of each webinar to register your attendance and submit any questions for the contributors. There will be no opportunity to submit questions during the live webinar.

After registering, you'll receive your personal Zoom log in details via email.
