How to use My ECFS as an ECFS member.

This user guide has been developed to support our members in accessing all the MY ECFS features which are available to current members via <u>www.ecfs.eu</u>.

Logging into the ECFS Website

• The first step is to click on 'LOG IN' on the top right-hand tab as seen below:

ects About	US RESEARCH CARE EDUCATION	CONFERENCES & EVENTS PUBLICAT	IONS MEMBERSHIP LOG IN Q
FACILIT ACQUISITIO	TATING THE N AND DISTRIBUTION	N

• Order history: allows you to view all the past and current orders you have placed with ECFS (including membership subscriptions and Basic Science conference registrations). You can use this feature to generate invoices or receipts.

Accessing the Journal of Cystic Fibrosis

If you have a full or corporate membership subscription you are entitled to free Journal of Cystic Fibrosis (JCF) access.

New members/Accessing the JCF for the first time

1. Please activate your online account directly by using the link below to reach the Elsevier Access page:

https://www.sciencedirect.com/science/activate/jcf

Note 1. "https://" MUST be entered for this URL – "http://" will not work. This is to ensure that your registration details are secured when you enter them into the registration form.

Note 2. The activation is one-time procedure and you need not use the above link each time you wish to access the journal.

<u>OR</u> You can access the Elsevier Access page via the link within MyECFS. Once you have signed into MyECFS navigate to Journal of Cystic Fibrosis page as shown below or use this link: <u>https://www.ecfs.eu/myecfs/journal-of-cf</u>. You will see the below page. Click the link within the screen.

2. You will be taken to the below screen. Please enter the email address you used to sign into MyECFS into the "Customer Reference Number" box and click 'Continue'.

3. Fill in your details as well as creating a username and password (your username is your email address).

Note: If you are an existing member of Science Direct you will not need to register again.

4. You will then see the screen below.

A E	LSEVIER			
		Sorrey Something and water of highests		
	About Elsevier Terms and conditions Privacy policy Help We use cookies to help provide and enhance our service. By continuing you agree to the use of	cookies.	€ REL	.X**

5. This page can then be closed and you can use the following link to access the journal or follow the Old Members/Subsequently Accessing JCF' steps below.

https://www.sciencedirect.com/journal/journal-of-cystic-fibrosis

If you encounter any problems registering, please note that older browsers may not support SSL encryption, which is required for secure data transmission. Also, cookies must be

enabled in your browser to support the registration process. Should you require any assistance, please do not hesitate to contact Deepika Thapa at <u>ussocieties@elsevier.com</u>.

Existing Members/Subsequently Accessing JCF

1. Once you have signed into MyECFS navigate to Journal of Cystic Fibrosis page as shown below, or use the following link: https://www.ecfs.eu/myecfs/journal-of-cf. You will see the below screen.

Journal of CF Membership subscription to the ECFS (with the exception of the Discounted membership subscription and the Emeritus membership subscription) includes an annual subscription to the Journal of Cystic Fibrosis - the official journal of the ECFS. If you have purchased either a full membership subscription, a 3-year membership subscription or a corporate membership subscription then your Elsevier JCF Customer Reference number will be printed below. You can access the JCF online using the below link without any need for further authentication. You can access the CF Journal using the following link: <i>Open CF Journal</i>	Introduction	Membership Details	Order History	Journal of Cystic Fibrosis	Education Platform	Past Conference Material	Future Conferences	
If you have purchased either a full membership subscription, a 3-year membership subscription or a corporate membership subscription then your Elsevier JCF Customer Reference number will be printed below. You can access the JCF online using the below link without any need for further authentication.	Journal of Membership sub	CF oscription to the ECFS (relation to the Journal of C	with the excepti	on of the Discounted membe	ership subscription and	I the Emeritus membership	subscription) includes a	an
You can access the CF Journal using the following link: <i>Open CF Journal</i>	If you have pure JCF Customer R	chased either a full mer eference number will b	mbership subscri pe printed below.	ption, a 3-year membership You can access the JCF onl	subscription or a corp ine using the below lin	orate membership subscrip k without any need for furt	tion then your Elsevier her authentication.	
You can access the CF Journal using the following link: Open CF Journal								
	You car	access the CF Journal	using the follow	ing link: Open CF Journal				

2. This will take you directly to the JCF website where you can access journals as you please.

Should you require any assistance, please do not hesitate to contact Deepika Thapa at <u>ussocieties@elsevier.com</u>.

Education Platform

The Education Platform contains ECFS courses and selected webcasts from previous ECFS conferences (pre-conference courses, plenaries, symposia and satellite symposia), webinars and meetings. The Education Platform is available to current ECFS members (except corporate members from the industry) and those who have purchased an Education Platform Token.

- Past Conference Material: direct access to past conference links and presentations.
- Future Conferences: access to future ECFS conferences.

To access the Education Platform:

 Please log into your ECFS account (as instructed on page 1 of this document) and then click on the education platform icon on MY ECFS. The Platform can also be accessed on the education homepage (<u>www.ecfs.eu/education</u>) and by clicking on either of the education platform buttons, as shown below.

- You will then be taken to your home page.
- To view ECFS courses, webcasts from previous ECFS conferences (pre-conference courses, plenaries, symposia), webinars and meetings on the ECFS Education Platform, click on 'ECFS Courses, Conferences and Meetings':

- To view non-ECFS courses and materials (which includes industry satellite symposia from ECFS conferences), click on 'NON-ECFS Courses and Materials'
- Resume: Allows you to continue the educational material you last viewed
- Catalog: Contains a complete list of available ECFS and Non-ECFS educational material
- Resources: Contains resources which you are able to browse or download e.g., CF and CFTR related websites, Mental Health Working Group dedicated website, and Standards of Care documents, PDFs of presentations and ePosters from previous conferences, and the ECFS Education Syllabus. Those affiliated to the CTN (e.g., PIs,

sub-I's, study coordinators, research nurses etc) also have access to the CTN SOPs and Patient Information Leaflets.

• Inbox: Contains messages sent to you about course enrolments.

'ECFS Courses, Conferences and Meetings'

Within this section, there are several folders and individual tiles for various educational resources (see image below):

Folders

The folders at the top of the page contain resources from the same event or topic e.g., webcasts and selected talks from the past five European CF conferences (2017-2023), The 'Essential Toolkit Series' courses held in 2017 (Seville),2021 (online), and 2023, the ECFS e-learning programme on CF (Part 1 and Part 2), CF REAP meetings (held in 2018 and 2019 on various topics), recordings from ECFS meetings (CTN, Registry, special interest and working groups) etc.

<u>Tiles</u>

The individual tiles (below the folders) contain:

- Recordings of the "A Special CF Lunchtime Series" webinars (2020, 2021,2022 and 2023)
- Recordings of the ECFS Physiotherapy Special Interest Group (PhySIG) "Bitesize Physiotherapy Webinar" Series (2022 and 2023)
- Recordings of the 2021 Basic Science webinars (held in April and July)
- Various pre-conference courses e.g., Exercise Testing Practicalities and applications for Clinical practice (2023), Psychodynamic aspects in chronic, medical illness (2023),

Clinical Nutrition Course: Mastering new clinical expertise in emerging nutritional areas (2023), Nutrition Course: Practical interventions to optimise nutrition (2022), Discussing sex and intimacy with patients with CF (2022), Power, Threat, Meaning Framework (2021), Nutrition Advanced Course: Scrutinizing the future for Nutrition in Cystic Fibrosis (2020), Practical Therapeutic Modalities to manage anxiety, depression, sleep and pain in routine CF care (2020), Acceptance and Commitment Therapy (2019), Physiotherapy Short Course – Exercise Testing in Cystic Fibrosis – Who, When and Why? (2019), Nutrition Masterclass: Practical Management of Nutrition Issues in CF (2018), etc

- Interactive case studies from European CF conferences (2017, 2018, 2019)
- ECFS Tomorrow Lounge: We are screening... now what? Different treatment modalities in CF mental health (2020)
- The History of CF (short review of the early history of CF)
- And much more!
