ABOUT THE CONFERENCE

2 Plenary Sessions, 30 Symposia,
24 Workshops, 6 Meet the Experts Sessions,
6 ePoster Sessions, Hands-on Workshops

About 2,300 participants
More than 30 exhibitors

The ECFS Conference provides a forum for the discussion of the best and most recent basic and applied science, to facilitate translation of the latest knowledge into daily clinical practice.

The programme will reflect these priorities and bring together both scientific and clinical teams from around the world. A high quality programme is planned with internationally recognised key experts in the field delivering plenary and symposia lectures.
