Call for Volunteers ECFS 2022 in Rotterdam

The 45th European Cystic Fibrosis Conference will take place in Rotterdam, The Netherlands, from 8-11 June 2022 and we are looking for volunteers who would like to contribute to the conference.

This prestigious international medical and scientific conference will bring together experts on CF from around the world. It will provide an important opportunity for those interested in CF including medical students and those involved in patient groups (including the National Cystic Fibrosis Association) to hear some of the latest developments in CF research and care.

Volunteers are needed from Tuesday 7 June to Saturday 11 June, but most volunteers are needed for Thursday 9, Friday 10, and Saturday 11 June.

Who are we looking for?

We are looking for volunteers who have the time, dedication and enthusiasm to assist us to deliver a successful international event. You must be at least 18 years old and have a minimum level of spoken English. We would particularly encourage people who have an interest in the medical and scientific dimensions of CF to apply as a volunteer.

Please note that for reasons of cross-infection patients with CF will not be able to volunteer. The ECFS policy for attendance of individuals with CF to the conference is to discourage attendance as a bug free environment cannot be guaranteed.

Please also note that the ECFS will comply with all applicable requirements and specific health and safety protocols imposed by European, Dutch and local health authorities in connection with the COVID-19 pandemic. The government of the Netherlands decided to lift most restrictions linked to the COVID-19 pandemic from 23 March 2022. More information can be found [here](#).

Benefits

In return for their assistance (minimum 2 shifts of 4 hours), volunteers will have the chance to get access to the conference free of charge whenever they are not acting as volunteers. T-shirts and meals will be provided on the days people volunteer. A general briefing, as well as task-related briefings will be given to the volunteers onsite.

How to apply?

Please fill in the online form [here](#) to apply.

We are looking forward to welcoming you to the European Cystic Fibrosis Conference!
