## **NEWSLETTER 1, 2022**

Dear all,

Welcome to our first newsletter of 2022.

First of all, let me (on behalf of the entire IPG/CF Committee) wish you a peaceful, happy and healthy New Year. Also, I hope, this year we will finally meet each other and will experience joyful moments at the ECFS conference in Rotterdam together in person!

Now, we will move on to the main topics of this newsletter:

- 1. ECFS Physiotherapy Specialist Interest Group
- 2. Abstract submission deadline for Case studies, ECFS Conference, Rotterdam 2022
- 1. ECFS Physiotherapy Specialist Interest Group (SIG)

We would like to briefly inform you about the establishment of Physiotherapy SIG. The first meeting of the commission's representatives took place in December 2021. This group will work closely with our IPG/CF group not only in preparing the program for the ECFS congress in Rotterdam but also in other educational activities. In the future, for example, physiotherapy SIG plans to organize educational webinar series.

If you would like to be a member of Physiotherapy SIG, it is necessary to be a member of ECFS. For more information about membership, please contact the ECFS directly. A launch event for the SIG is planned at the ECFC in Rotterdam and further details will follow.

2. Abstract submission deadline for Case studies, ECFS Conference, Rotterdam 2022

"International Physiotherapy Group-CF - Case presentations" will take place at the ECFS Conference 2022 on Wednesday 08 June. We would like to kindly invite you to send an abstract to this section.

- Abstract submission deadline: 14 January 2022
- Notification of abstract acceptance: 10 March 2022
- Abstracts must be submitted in English.

For more information, please visit: https://www.ecfs.eu/rotterdam2022/abstract-submission

We are looking forward to interesting case studies from your inpatient or outpatient practice from all over the world. If you require any support or advice with your submission do not hesitate to contact us.

If you are receiving this newsletter, we are happy for you to forward it to your CF interested colleagues.

As always, we welcome your feedback and input. Enjoy!

Jana Plešková, MSc (<u>jana.pleskova@fnmotol.cz</u>) IPG/CF Secretary
